The event will begin at 3pm with a prayer and a song. Then, throughout the day there will be reflections on peace and the opportunity to chat about how we can each create peace and harmony in our precious world. You are very welcome to go in to the Church and light a candle for a person or situation close to your heart. As the daylight fades we will be lighting candles to show solidarity with those who daily live in fear, hostility and isolation. We will conclude with half an hour of silence and contemplation followed by closing prayer and song. Everyone is welcome.
